MATAMBO, COLOMBIA.

Matambo is a coffee lot from a small group of dedicated, coffee producers in the *Gigante, Huila* region of *Colombia*. There are 15 contributing members to this lot which has a combination of *catarra* and *colombia* varieties that are fully washed and sun dried. Each producer is well-practiced in proper fermentation, washing and drying techniques and process their own coffee on-farm. Their dedication to quality results in clean, high quality coffee.

Matambo is one of the key components of *Ringleader*.
